

Director of Data & Analytics Position Description

McCarthy Capital Overview

McCarthy Capital is a private equity firm focused on lower middle market companies with annual revenues of at least \$10 million. Headquartered in Omaha, the firm's Investment Team manages nearly \$3 billion of investment capital. We make majority or minority equity investments of \$30 million to \$125 million in a mix of growth equity, management buyouts and recapitalizations.

For more than 35 years, the McCarthy organization has been partnering with founders, families and exceptional management teams to support the growth of their companies. We seek companies with attractive growth prospects, established profitability and proven management who are typically direct owners in the business with material capital at risk.

Our Mission is to build businesses in partnership with management teams pursuing a variety of strategies for creating long-term value. Our Core Values are Integrity, Rigor, Results and Relationships.

The Position

McCarthy Capital is seeking potential candidates for a Director of Data & Analytics position in our Omaha office. This role is intended for candidates with at least 5 years of experience in data analysis, private company valuation, financial modeling and/or KPI reporting. This position will office in Omaha and we prefer a candidate with strong ties to the region.

Responsibilities

- Collect, organize and analyze portfolio company financial and KPI data
- Complete quarterly and ad hoc analysis on the McCarthy Capital portfolio and return data and report findings to the firm's principals
- Support McCarthy Capital's value creation process by collecting portfolio company data, analyzing the data and organizing in a consumable manner for internal and external parties
- Lead the firm's data collection of potential business targets that fit the firm's investment strategy
- Complete reporting and analysis on the firm's historical sourcing data
- Support the evaluation of investment opportunities
- Participate in the on-going management and monitoring of both financial and operational aspects of portfolio investments
- Take on additional projects as required

Personal Characteristics

- Thrive in an entrepreneurial environment, working within a small team
- Excellent organizational, analytical and time-management skills
- Outstanding interpersonal and written communication skills
- Ability to work in a fast-paced, dynamic setting and concurrently handle multiple projects
- Demonstrated ability to deliver top-quality work
- Superior attention to detail
- Energetic team member with presence and professionalism
- Self-motivated and hardworking
- Confident and self-aware
- Overall fit with our Core Values

Background and Credentials

- Distinguished academic background
- MBA or equivalent graduate degree recommended but not required
- Five plus years of equivalent experience
- Track record of achievement and leadership
- Strong quantitative and analytical skills
- Strong valuation and accounting skills
- Comprehensive understanding of private equity and investment related terms and concepts
- Proficiency with Microsoft Office applications
